

## *New River Electrical Coloring Contest*

At New River Electrical, the safety and health of our employees are our highest priorities. We understand the meaning of family. We treat our employees as family, and we understand the importance of ensuring that each one of our employees makes it home after a tough work week. The NRE safety department is sponsoring a coloring contest for all the NRE children, grandchildren, and other children. This is to remind us of how important our families are and why NRE works hard each day to SET THE STANDARD in safety on our projects. We encourage each family to participate for a chance to win!
